**Fitts Insurance Pledges \$10,000 to Boys & Girls Clubs of MetroWest**  
*Local Company Invests in Framingham's Youth*

(Framingham, MA)– The Fitts Insurance Agency recently pledged \$10,000 to the Boys & Girls Clubs of MetroWest (BGCMW) in support of the organization's new Framingham Clubhouse located at 154 Pearl Street.

For 10 years the Boys & Girls Clubs of MetroWest ran programs out of a smaller location on Hollis Street in Framingham where the size of the facility limited the number of children served and the type of programs offered. Thanks to the generosity of donors like Fitts Insurance BGCMW opened a newly renovated Clubhouse (complete with a Teen Center and basketball court) on Pearl Street in June 2008. Currently the Framingham Clubhouse serves an average of 125 youth each day through their afterschool programs.

"We are thankful for the generous support of our friends at Fitts Insurance," said Fran Hurley, President of the Boys & Girls Clubs of Metrowest. "Not only do they invest financially in our kids, but Chris Fitts has been a member of our Framingham Advisory Board for a number of years. They are committed to making a difference in the lives of the youth in Framingham that need us the most."

For over 75 years Fitts Insurance has been committed to giving back to the community where they do business. People turn to Fitts Insurance because of their unparalleled reputation for prompt and courteous customer service, broad knowledge of the industry, extensive experience and commitment to excellence.

"We support a variety of quality community organizations, but our partnership with the Boys & Girls Clubs of MetroWest has been the most personally rewarding for me over the past several years," said Chris Fitts, Vice President of Fitts Insurance. "We've had the privilege of seeing the Framingham Clubhouse transform from a very small facility lacking much needed resources to a newly renovated, expansive Clubhouse with the latest technology, a broad range of programs and activities and quality staff. The Framingham Clubhouse has gone from a virtually unknown facility to a marquis location providing a safe and constructive place for our community's youth."
