

The Positive Place For Kids

Where can children go every day after school to be supervised by caring, trained professionals?

Who provides every child and teen with positive mentors and role models to guide them?

Where can teens find their own space to spend time with friends and gain leadership skills and character development at the same time?

Who offers all children the opportunity to engage in positive educational and recreational activities during the critical after school hours?

Where can every child, especially those who need us most, learn new skills, develop his or her talents, and make lifelong friends?

The Answer:

BOYS & GIRLS CLUBS OF METROWEST

The Clubs provide all this and more for the low annual membership fee of \$25 per child. Your support ensures that all youth have access to opportunities after school that will truly enhance their lives.

The Boys & Girls Clubs of MetroWest *New Pearl Street Clubhouse*

The only way the former Callahan Senior Center can be transformed into a safe, positive place for *all* kids in Framingham is **with your help!**

Today, we serve an average of 60 youth each day in our Hollis Street Clubhouse. With your generous support, the Pearl Street Clubhouse will serve over 250 children and teens daily, with room to grow, keeping the kids that need us most off the streets and positively engaged after school.
