DCU for Kids Invests in the Children of MetroWest

Marlborough, MA – The Boys & Girls Clubs of MetroWest recently received a \$35,000 contribution from DCU Foundation for Kids in support of the organization’s out-of-school programs throughout the MetroWest community.

"DCU Foundation for Kids recognizes the critical need for affordable access to quality out-of-school programming for the children and youth in the MetroWest community," said Fran Hurley, President of the Boys & Girls Clubs of MetroWest. "The foundation continues to generously invest in the programs and activities that channel youthful energy into challenging pursuits and help develop the qualities needed for our kids to become responsible citizens and leaders."

"DCU is proud to support organizations such as the Boys & Girls Clubs of MetroWest that provide, safe, educational and growth opportunities for kids of all ages within our communities," said Donna Russo, Vice President of Human Resources for DCU.

The programs offered at the Clubs are all encompassing, ranging from educational based initiatives like the PowerHour Homework Club where kids can get help with their homework, to the technology center, games room, arts & crafts room, gymnasium, health and prevention programs and the Teen Center, where older members participate in fun and exciting programs that help get them ready for the real world.
