We offer a variety of programs to expand members exposure to STEM (Science, Technology, Engineering, and Math). We strive to encourage individual growth and foster the skills needed to work in team environments. Our most popular activity programs include...

**Media Mania:**
Explore a variety of media activities including newspaper and magazine creations and editing, photography techniques and editing, movie creation from start to finish, and much more!

**Game Tech:**
Can you build the next big app? Learn basic coding skills at the Club!

**Lego Engineering:**
Members are exposed to the entire engineering and design process of building their own robot.

**Hands-On Challenges and Projects:** In this ever growing segment, including the ‘Spaghetti Tower Challenge,’ ‘Paper Airplane Design,’ and ‘The Tinfoil Boat Float,’ our members are also exposed to hands-on STEM away from the computers!

**On-Going Projects:** Some activities take multiple sessions and Members will need to commit to multiple visits. These include creating full games, apps, some engineering challenges, and media projects including movies and books.

**INFORMATION FOR TEENS**

The Teen Center is a relaxing atmosphere with pool tables, Wii, XBox 360, Big Screen TV, DVD’s and much more!! It is a great place to meet new friends!
