A WORD FROM THE PRESIDENT

Thank you for investing in the Boys & Girls Clubs of MetroWest. Here at the Club, we believe that every kid, no matter what their background, no matter what their circumstances, no matter where they come from – every young person deserves an opportunity to succeed. Here at the Club, we work to remove all barriers to access – especially financial barriers. We cannot remove these barriers and provide high quality opportunities without our investors. Investing in the Club is investing in the futures of our young people. Thank you for your support and I look forward to working with you.

With thanks,

Chris Duane

“Being part of Keystone Club has given me the chance to be put in a leadership role and help my fellow members while also setting a good example for the younger kids at the Club” – Jonathan
Education & Career Programs

Programs like the following areas help youth create aspirations for the future, providing opportunities for career exploration and educational enhancement.

**Project Learn**

Jevon has been an active member of BGCMW since 2012. He has taken the opportunity to get involved with all the club has to offer. Jevon has taken a leadership role in our philanthropy program where the teens choose a local non-profit to donate $5,000 to. Because of Jevon’s commitment and dedication to BGC, he has become a staff member, currently working with our younger members helping them with all day remote learning at the Framingham Club.
Health & Life Skill Programs

These programs are run with staff and often in collaboration with local professionals.

Victoria was one of our staff who participated in SMART Girls when she was a member at the Hudson Club. Now as a staff member who helps run this program, Victoria helps other young ladies learn about self confidence and grow skills on a daily basis.
Sports, Fitness & Recreation Programs

Programs in this area develop fitness, positive use of leisure time, skills for stress management, appreciation for the environment and social skills.
