### **After-School Recreation Instructors**

Time: Monday – Friday 2:30-6:00pm, 10-20 hours per week

Summary: The Boys & Girls Club provides youth development, education, prevention, social, athletic, and recreation programs to over 3,200 members across our three clubs in grades 1-12. Program staff are role models for the members and work to keep students engaged with their schoolwork and overall community.

#### Responsibilities:

- Lead a group of 15 members within their home-base room. Members will be in similar grades and from the same school.
- Help members with homework as needed.
- Create and execute engaging art and learning activities catered to members' age.
- Be a role model for members and provide overall behavior management.
- Supervise members as they do activities in the club (gym, tech center, games room).
- Clean and disinfect areas according to new COVID-19 regulations.

#### Qualifications:

- Be at least 16 years old.
- Experience working with children.
- Ability to be creative with activities and a positive role model for the members.
- Ability to be punctual and communicate well with other staff, director, and families.
- Ability to pass a background check.
- Bilingual in Spanish and/or Portuguese a plus but not required.
