**Summer Counselors**

Time: Monday – Friday, 10-30 hours per week, flexible schedule

Summary: The Boys & Girls Club provides youth development, education, prevention, social, athletic, and recreation programs to over 3,200 members across our three clubs in grades 1-12. Program staff are role models for the members and work to keep students engaged with their schoolwork and overall community. Each year we run a summer program for the kids in the community.

Responsibilities:

- Work with a group of 25 members (ages vary between 5-14 years old).
- Plan and implement activities with the members according to their age.
- Supervise members during special events and as they do activities in the club (gym, tech center, games room).
- Help members with reading and encourage academic activities.
- Be a role model for members and provide overall behavior management.
- Clean and disinfect areas according to new COVID-19 regulations.

Qualifications:

- Be at least 16 years old.
- Experience working with children.
- Ability to be creative with activities and a positive role model for the members.
- Ability to be punctual and communicate well with other staff, director, and families.
- Ability to pass a background check.
- Bilingual in Spanish and/or Portuguese a plus but not required.
